

# Grognard Simulations Releases Death Ride Kursk – Das Reich, DRK-IISS Enhancement, and Incredible Courage 100 Days – Quatre Bras

Death Ride Kursk – Das Reich and the IISS Enhancement package are released on 17 January 2015. The price for the released Das Reich game is \$150 and \$50 for the Enhancement package. This game is an expansion to Totenkopf and requires Totenkopf to be played. Prominent game rules feature units at the Platoon (German) and Company (Red Army) levels, Primary and Secondary weapons effects, highly detailed terrain (330 meters per hex), Suppression of units, and an “Open” game turn execution for each side allowing for actions to be performed in any order the player needs to support his plan. The Air, Logistics, and Maintenance Enhancement Counters and supporting charts are now released also and are sold separately. This game and the enhancement complete the battle space for the IInd SS Panzer Korps. This now makes 11 of the planned 24 maps for the entire southern front at Kursk.

This game includes:

- (12) 11x17 Full Color Map Sections
  - (22) 11x17 Scenario Cards
  - (10) Unit Counter and Marker Sheets
  - (3) 11x17 Task Organization Charts
  - (3) 8.5x11 Order of Battle charts
- A Bound Supplemental Rulebook

The enhancement, sold separately, includes:

- (3) Unit Counter and Marker Sheets
- Supporting Air, Maintenance, and Logistics Tables and Charts
