

Forgotten War: Korea

Errata as of May 24, 1997

6.11 Clarification: A player may calculate the entry cost for a unit entering along a road using the road movement rate.

6.21 Clarification: Eventually there will be just one unit in the Replacements Box for a company. At that time, move that unit to the Permanently Eliminated Box.

13.7 Clarification: An friendly unit never gains a benefit for occupying a enemy improved position. Remove all IPs not occupied by the owning player during this step.

10.21e Clarification: Subject to stacking and movement restrictions, a friendly unit may enter a hex containing another friendly unit under an improved position and received the benefit of that IP.

16.4 Change. The Turn 6 UN reinforcements listed as arriving at 4232 arrive at 3333.

Counter errata (all for Chosin):

One company of the CCF 80th Division, 240th regiment, is labeled 3/1 instead of 3/240.

The counter for B Battery, 57 FA (US Army) is labeled D on its front side instead of B.

There is an unused F/11 USMC Battery Fire marker.
