

CARDS IN THE MIDDLE EDITIONS OF THE ILLUMINATI GAME

By
Alan R. Arvold

NEW DELUXE GAME

Here are the cards from the newer Deluxe Version of Illuminati, published in 1999, in a smaller 9 inch by 6 inch box. The cards received new artwork, most of it stemming from the artwork of Illuminati: New World Order Collectible Card Game. There were 8 Illuminati Cards, 83 Group Cards, 15 Special Cards, and 4 Blank Cards.

This set introduced four new cards, one brand new, and the other three from the Illuminati NWO Card Game "Assassins" expansion. Three older cards were deleted, Fifth International, Joggers (for a second time), and Iranian Moderates.

Y2K CARD SET

In 2000, the Y2K Card Set was published. This was a card set that was meant to be added to the new Deluxe game. 41 of the cards came from the Illuminati N.W.O. Collectible Card Game, 18 of the cards came from its Assassins expansion, and one card came from Illuminati Sub Genius Card Game, as well as featuring the artwork from those games. There were 2 Illuminati Cards, 76 Group Cards, 26 Special Cards, and 5 Blank Cards. The following cards will be listed by category, name, and from which set they came from or if they are new or a repeat of an old card. If the older card was of a different category and/or name, those too will be listed.

Illuminati Cards

In 2001, the old Expansion #3 from the original game was republished as Illuminati Brainwash. The expansion was updated to work with the newer Deluxe version and the game-board was finally corrected where all alignments were in their proper position. However, the Atlanteans were dropped from the list of new Illuminati that could be put on Spare cards.

BAVARIAN FIRE DRILL CARD SET

In 2007 the Bavarian Fire Drill card set was published. This was another set that was to be added the Deluxe game. This, along with the Y2K set, could make for a big game with ten or possibly more players. This set came with 67 Group cards, 27 Special cards, and in a new category, 16 Artifact cards. These cards will be listed below by category, name, and from which older set they came from, or if they are new or are a repeat of an older card. If the older card was from a different category and/or name, those will be list also.

ILLUMINATI: MUTUAL ASSURED DISTRACTION

In 2010, the Illuminati: Mutual Assured Distraction set was published. This was still another set to be added to the Deluxe version of the game. It introduced the New World Order card into the regular game. There were 18 New World Order cards and 5 Special cards in the set. It should be noted, that four of the cards originally came from the Illuminati NWO game.

New World Order Cards

Bank Collapse (New)
Death Panels (New)
Defense Cuts (New)
Digital Currency (New)
