301	None	Yes
305	None	Yes
506	807	No
507	None	Yes
601	101, 301, 804	Yes
804	601	Yes
807	None	Yes
906	None	Yes
1007	None	No

<sup>1</sup>The Japanese player benefits from Amphibious Movement and from reinforcements that arrive at beach hexes. This table is for the postcard version of the game. The computer versions shade the hexes that are eligible for these moves.

<sup>2</sup>Amphibious Movement allows Japanese units on certain hexes to exceed their movement allowance. Singapore is the only coastal objective ineligible for Amphibious Movement.
